

Photo Salon: This year's Photo Salon will consist of 5 categories: Forest Insect; Forest Insect Damage; Series (3-7 slides) - where a single slide just won't tell the whole story; "Other" - for subjects that don't conveniently fall into any other category; and Humorous - the lighter moments of Forest Entomology.

Media may be 2x2 photographic slides or digital. Submissions of slides are welcome but they will need to be submitted to Laurie by 15 July 2010 to allow for scanning before the meeting. If you submit digital photos, please submit them in as large a format/file size and as uncompressed as you have available. You may submit your images via US mail to: Laurie Reid, South Carolina Forestry Commission, PO Box 21707, Columbia, SC 29221 or by e-mail Lreid@forestry.state.sc.us We encourage you to follow the Forestry Images guidelines www.forestryimages.org/contribute.cfm for information about image format, size, etc. Unless photographers specify otherwise, the winning images will be added to Forestry Images, www.forestryimages.org.
